

**For Cities**

*That Live and Make Live*

**SeraPark Effect**

*To All the Shades of Colors*

LET THE GREEN  
LIVE, SO  
THAT THE CITY  
LIVES!

## Bush Group

*The understanding of "National and Domestic Production" gains meaning with not making any compromises on quality.*

*That is why Sera Park exists and it makes its sector gain a new dynamism.*

*It makes domestic production and increases quality with it.*

*It makes efforts to improve the sector and looks out for it at every phase of production. Therefore you feel trust when you see the Sera Park symbol.*

*Sera Park is about three words. Fast. Rational.Trust.*

*A reliable partner, a fast solution producing working ability and rational suggestions of solutions The rest will come along.*

*A pleasant shopping, a trustworthy commercial relation and a partner to be proud of. This means a common pride for Sera Park and its business partners.*

*Short or tall in size.  
Diverse and figured to your liking.*

Hydrangea Hortensis  
Spirea  
Cineraria Maritima*

## Tress With Leaves

Do you smell the linden?

*Have you seen the glamorous plane trees opening and  
closing eras?*

*Or the appearance of strength?*

*A visual feast from Sera Park, the rarest members of the  
leafed trees family. You can see them beautifying cities. Sit  
back, lean, lay down or sit down. The only feeling you  
will get is trust or peace.*

*Whichever you choose.*

*Tilia Tomentosa*  
*Tilia Cordata*  
*Tilia X Europaea*  
*Platanus Hispanica Malburg*  
*Platanus Orientalis*  
*Carpinus Betulus*  
*Quercus Robur*  
*Robinia Pseudoacacia Umbraculifera*

*Lime*  
*Small-Leaved Lime*  
*Common Lime*  
*Sycamore*  
*Oriental Plane*  
*Hornbeam*  
*Oak*  
*Black Locust*

*Liquidambar Styraciflua*  
*Pyrus Calleryana*  
*Celtis Australis*  
*Cercis Siliquastrum*  
*Fraxinus Americana*  
*Fraxinus Excelsior*  
*Ginkgo Biloba*  
*Gleditsia Sunburst*

*Sweet Gum*  
*Callery Pear*  
*Hackberry*  
*Cercis Sliquastrum*  
*White Ash*  
*European Ash*  
*Maidenhair Tree*  
*Honey Locust*

# The Coniferous

*Rooted, ancient friends and long lasting friendships.  
The energy, dynamism and vividness of the green...  
Cypress and Cedar on one side, and Fir and Spruce on the  
other side...*

***And most of all, coniferous.***

*Cupressocyparis Leylandii*

*Cupressus Arizonica*

*Pinus Pinea*

*Cedrus Deodora*

*Cedrus Libani*

*Arizona cypress*

*Stone Pine*

*Deodar Cedar*

*Cedrus Libani*

*Thuja Orientalis Pyramidalis Aurea*

*Thuja Orientalis Aurea Compacta*

*American Arborvitae*

# Climbers

**The beauties of balcony.Garden vines.**

*They are the beauties making streets and buildings attractive, waving at us from balconies and gardens.  
They embrace you with their smell,  
their appearance and their beauty which takes you to different worlds.*

***Once they hold you,  
you hold them back and  
never let them go.***

*Hedera Helix  
Rhynchospermum Jasminoides  
Wisteria  
Parthenocissus Quinquefolia  
Bougainvillea  
Rosa Climber*

*Hedera Helix
